TELEGRAPHIC NEWS.

THE WAR IN TENNESSEE.

LATEST NEWS FROM NASHVILLE.

GREAT UNION VIOTORY!

Hood Dislodged from his Works-He is Driven from 1 to 3 Miles-His Loss 17 Guns and 1,500 Prisoners-Thomas's Attack a Splendid Success-Complete Discomfiture of the Enemy-Union Casual-

ties Reported Slight.

WAR DEPARTMENT, December 15, 1864-11.30 P. M. Major General Dix, New York: This Department has just received unofficial

dispatches from Nashville, announcing that General Thomas, with the forces under his command, attacked Hood's army in front of Nashviile at 9 o'clock this morning, and, although the battle is not yet decided, the whole action to-day is described as "splendidly successful." Our line advanced on the right five miles, the enemy were driven from the river, from his entrenchments, from the range of hills on which his left rested, and forced back upon his right and center, and the center pushed back from one to three miles, with the loss of seventeen guns and about fifteen hundred prisoners, and his whole line of earthworks, except about a mile on his extreme right, where no serious attempt was made to dislodge him. Our casualties are reported to be light. Hood's whole army, except the ca -alry, and a small force near Murfreesboro. was engaged.

EDWIN M. STANTON, Secretary of War.

THE ST. ALBANS RAIDERS. Effect of their Discharge in Canada-The Act Generally Condemned—Warrants Issued for Their Rearrest—Opinion of the Officers of the Government—Investigation by the Council Going On.

QUEBEC, Dec. 15 .- The discharge of the St. Albans raiders has surprised the members of the Government, and the ground for their discharge is pronounced ridiculous. The magistrate is likely to be severely dealt with. New warrants have been issued by the Supreme Court Judge for the rearrest of the raiders, and constables are in pursuit of them. An efficient military torce is to be sent to the border towns immediately to prevent further depredations.

The Feeling in Montreal.

MONTREAL, Dec. 15.—The conduct of the Coursal, the magistrate, and Lamothe, the chief of police. I in the case of the St. Albans raiders, is denounced. Lamothe is accused of complicity with them. An investigation is going on by the Council, and it is thought that Lamothe will be dismissed. Public Sentiment in Toronto.

TORONTO, Dec. 15 - There is a profound sensation here in regard to the Coursal's decision in the case of the raiders. The best legal authorities pronounce it contrary to law, and it meets general condemnation.

Later and Important.

QUEBEC, Dec. 15.—The Cabinet had a longsession to-day, and it is understood that the members unanimously denounced the act of Judge Coursal in discharging the St. Albans The pretence was that the Canadian extradition act of 1861 was not in force, because it

had not been assented to by the Queen in ccancil. If the judge had inquired of the Government he would have found that her Majesty had specially assented to the act. He made an as-

sertion against the validity of the act of the Canadian Legialature without proof. It turns ssumption was fr The Attorney General, it is understood, advised the issue of new warrants on the same night, by the judge of the superior Court of Montreal, for the rearrest of the raiders, some of whom have gone east to Halifax, and some west. Officers are on their track, and they

cannot escape if they remain in Canada. The Canadian Government has no legal

right to act directly, as the courts have independent jurisdiction. If the judges refuse to do their duty or act corruptly, they may be suspended or in some cases, dismissed. It is probable the Council will be dismissed. Parliment, which usually meets on February 1, will be summoned to assemble in the middle

of January. when laws will be passed to meet the emergency of the great change of public feeling towards the Confederates, since they have shown an intention of embroiling the country in war.

FROM PORT ROYAL S. C.

FORTRESS MONROE, Dec. 14.—The steamer United States, Captain Shane, arrived here this morning from Port Royal, S. C., with a large number of released prisoners, variously estimated at from seven to eight hundred. The exchange of prisoners, under Colonel Multord, was progressing fayorably. Nothing definite in relation to Major General Sherman's movement could be learned by the passengers who came up on the United States, but the firing of his guns in the direction of Savannah river, Georgia, was distinctly heard for several days prior to their sailing from Port Royal, South

All the troops that the rebel Government had been able to hastily assemble have been placed in the entrenchments immediately surrounding Savannah, Georgia, and Charleston, South Carolina, so that General Sherman would meet with but very little resistance on his on ward march until he reached the suburbs of either of the two cities, where great preparations have seen made to give them a bloody reception, should he attempt the capture of either of them.

Terrific Powder Mill Explosion-Six Mills Destroyed-Ten Persons Killed WILMINGTON, DEL, Del. 15 .- Six mills in the Hagley Yard of Dupont's powder mills, near this city, exploded this morning, killing ten men, and wounding several others. The explosion was the most serious one that has taken place here for several years.

PETROLEUM.—Our readers will find elsewhere an advertisement of the New York and Liverpool Petroleum Company. Daniel S. Dickinson is the President, and he is associated with gentlemen of experience in the business. A careful study of the prospectus will reveal the advantage of the investment. This discovery of petroleum is so recent, and the necessary demand so large and increasing that essary demand so large and increasing, that this company may be said to proceed upon a permanent basis. Their prospectus speaks frankly and fairly, and the name of Mr. Dickfrankly and fairly, and the name of Mr. Dickson, who has here, we believe, for the first
time associated his name with any corporate
enterprise, should satisfy the inquirer that it is
not a mere speculation. All of the funds paid
in forms the working capital of the company,
and no one connected with it is interested in
selling the company land or property at a fictitious value or at any profit. Stockholders are
mutually interested in all the profits of the company. A limited number of shares are offered at a subscription price of five dollars per share, without further tax or assessment, which is, but half the par value. Several of the trustees are located in the oil region, and have a personal supervision over the company's affairs, and it is expected that large quarterly's dividends will be requ'arly paid from the 1st of January. Subscriptions at the price indicated will only be received during the present month .- Communicated.

UNITED STATES COURT OF CLAIMS, De-cember 14.—In the case of Matthew Bon-ner, executor of Cadwalader Wallace, deceased vs. the United States, Chief Justice Sasey de-livered the opinion of the Court, sustaining the demurrer of the claimant to the plea of the statute of limitation filed therein by the Solicitor for the United States.

The testimony on the part of the claimant in the above entitled cause was thereupon sub-mitted to the Court by Messrs. Thurman and Coombs, and objections to the same by the Solicitor for the United States. Adjourned. December 15 .- The case of Matthew Bonner.

executor of Cadwallader Wallace, deceased, vs. the United States, was argued by Mr. Coombs for the claimant, and the argument for the United States opened, without being concluded, by Mr. Weed, the Assistant Solicitor. Adjourned.

CONSECRATION OF A BISHOP .- Rev. Arthur Cleveland Coxe, D. D., formerly of Baltimore, will be consecrated as Assistant Protestant Episcopal Bishop of the Western Diecese of New York, at Geneva, on Wednesday, January 4th. The Bishops of Michigan, Maryland, New York. New Jersey, and the Assistant Bishop of Connecticut, are empowered to assist Bishop Delancey in the consecration services.

The Annapolis Gazette, of the 15th, says: During the past week three vessels have been seized and condemned for dredging for oysters contrary to law in our waters. The vessels hail from New York.

Dr. Thomas King Carroll is a candidate for the Senate in Dorchester county, Md., to fill the vacancy caused by Mr. Holland's resignation.

The Chicago Lake tunnel has been excavated for nearly a quarter of a mile, and is progressing at the rate of ten feet per day. says his party in that State has taken the de-gree of L. L. D.—"Licked Like the Devil!" The number of hogs packed at Chicago

up to Saturday was about 400,000. Springfield, Mass.
